

Former Students

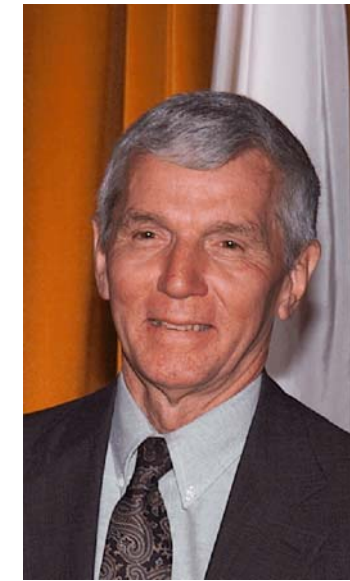

Mechanical Engineering

Texas A&M University

Prof. Aaron Cohen
(Class of '52)

Member of the National Academy of Engineering (1988)
Former Director, NASA-Johnson Space Center
Honorary member of ASME
Honorary Fellow of AIAA
Recipient of ASME Medal
Professor Emeritus, Mechanical Engineering, Texas A&M University

Dr. L.S. 'Skip' Fletcher
(Class of '58)

Former President of ABET, ASME, and AIAA
Former Director of Aeronautics, NASA-Ames Research Center
Recipient of ASME Medal and ASME Heat Transfer Memorial Award
Honorary member of ASME
Regents Professor and TEES Professor of Engineering, Texas A&M University

Dr. G.P. 'Bud' Peterson
(Ph.D., 1985)

President, Georgia Inst. of Technology
Former Chancellor, University of Colorado at Boulder
Former Provost, Rensselaer Polytechnic Institute
Former Executive Associate Dean of Engineering, Texas A&M University
Recipient of ASME Heat Transfer Memorial Award

Dr. Stuart R. Bell
(Ph.D., 1986)

Dean, School of Engineering, University of Kansas
Former Professor and Head, Department of Mechanical Engineering, University of Alabama, Tuscaloosa
Recipient of SAE Ralph Teetor Award
Recipient of ASME Richard S. Woodbury Award

Dr. Matthew A. Franchek
(Ph.D., 1991)

Professor and Chair, Department of Mechanical Engineering, and Director of Biomedical Engineering Program, University of Houston
Former Professor, School of Mechanical Engineering, Purdue University
Former Associate Editor, ASME Journal of Dynamic Systems, Measurement and Control

Dr. Ozden O. Ochoa
(Ph.D., 1980)

Professor, Department of Mechanical Engineering, and former Associate Dean, Office of Graduate Studies, Texas A&M University

Dr. Atila Ertas
(Ph.D., 1984)

Professor, Department of Mechanical Engineering, Texas Tech University

Dr. Jay M. Ochterbeck
(Ph.D., 1993)

Professor, Department of Mechanical Engineering, Clemson University

Dr. David Ong Liang Eng
(Ph.D., 1994)

Director and Chief Executive Officer, CNA China Co. Ltd (Appointed in 2005)

Mr. Khalid A. Al-Falih
(Class of '82)

President and Chief Executive Officer, Saudi Aramco (Appointed in 2009)

Dr. Roy E. Hogan, Jr.
(Ph.D., 1987)

Distinguished Member of Technical Staff, Sandia National Laboratories
