*Applications are invited for faculty positions (Lecturer and Visiting Assistant Professor) teaching undergraduate courses related to Mechanical Engineering. Visiting positions with “professor” titles will have to perform professional service duties in addition to teaching. All non-tenure-track position openings are subject to budgetary availability, student enrollment needs, programmatic needs, and turnover rates. To apply, applicants should submit a complete resume, a one-page statement of research and teaching interests, and a list of three references (including their postal address, telephone number and email addresses) electronically via the departmental web site at:*
